VENUE DESCRIPTION

MR CHOW at Caesars Palace features modern and classic décor highlighted with high-end touches and one-of-a-kind elements. The restaurant's centerpiece features a suspended kinetic sculpture, unlike anything currently in Las Vegas. MR CHOW guests enter through a set of private elevators, located on the casino floor level of Caesars Palace. The restaurant resides on the second story, overlooking the breathtaking Garden of the Gods Pool Oasis. MR CHOW seats more than 200, including picturesque terrace seating and three private dining spaces.

WHAT TO EAT AT THIS BEIJING CUISINE RESTAURANT

Led by Beijing Duck, the crown jewel of China, the menu creates a balanced and harmonious experience. Dishes are served family-style, built on the idea that all guests are to share in the MR CHOW experience in food and ambiance. Additional signature dishes include Chicken Satay, Green Prawns and hand-pulled MR CHOW Noodles.

EXPERT TIPS

Not only does the menu feature signature MR CHOW dishes, but also a selection of premium Champagne and specialty cocktails made with fresh ingredients. The infamous MR CHOW Champagne trolley is one of the many shows put on during guests' dining experience.
